

FRV TRAVEL – CHALINA ESTATE

Edition 8.5 – February/March 2012

BITS&PIECES

Weddings? Parties? Anything!
Bali luxury villas aren't just about holidays with the kids.

With stunning tropical gardens, breathtaking vistas, massive gardens, a private swimming pool or two and professionally trained staff, it's no wonder Bali villas are now the preferred party pads for global party people and those in the know.

Chalina Estate
Channelling the energy of its natural surroundings, Chalina Estate's gorgeous gardens and facilities make it the perfect place for weddings and special events. Immaculate sloping lawns border Canggu's Pangi River, offer incredible sunset views over neighbouring rice fields with glimpses of mystical Mt Batukaru in the distance. Featuring a huge open-sided living and dining pavilion, a dedicated lounge bar with two large terraces and a state-of-the art Bose sound system, this villa is fully-equipped for entertaining. www.chalinavillaestate.com

Arana Estate
Cascading down the terraced hillside of a beautiful two-hectare estate in Tabanan, Arana Estate blends its exceptional location with outstanding facilities to create an ideal venue for weddings, cocktail receptions or intimate dinner parties. With two bars, large upper terrace, poolside deck, deluxe living spaces and expansive gardens, the hardest part is choosing where to host the party. Located in a traditional Balinese village, this magnificent villa provides a unique setting for a once-in-a-lifetime experience which will remain etched on the minds of guests forever. www.aranaestate.com
